**Monthly Included Call Value†:** This is the amount in dollars of included calls you have each month. This call value can be used as calls to Mobile, PSTN, SMS, MMS, 13 and 1300 numbers, 1800 numbers, GPRS, Voicemail Retrieval, Ring Alert and Top IDD^ only. Included call value expire at the end of the applicable billing period. 15 second billing applies when using your included call value for standard calls.
